

Welcome to Collaroy Function Area

Collaroy Surf Club has a modern, up-to-date function room for hire, following an extensive refurbishment of the entire upstairs of the club. The club boasts a brand new bar area and a commercial sized kitchen with all new fittings. The function room has been completely remodelled, and can cater for cocktail style wedding receptions, anniversaries, etc. for up to 150 guests. Formal seated weddings hold up to 80 guests.

The location is unsurpassed - right on the beach at Collaroy overlooking the surf, with a view from Long Reef to North Narrabeen, right up to Palm Beach. At night, the atmosphere at the club is just magic, with a superb view of the night sky and the sea and the smell of the salty air. And where else could you combine a function with a day (or night!) at the beach?
